

Honeymoons for Arab couples, designed with care

COMPANY PROFILE · 2027

WEEN Travel designs tailor-made honeymoons for couples from the Middle East. Thailand and Bali are our two main destinations, and we are now selecting the resorts for our 2027 programs.

9–13 nights on a typical honeymoon	**2–3** nights at each resort	**2** destinations: Thailand and Bali

> Our couples stay across several resorts, usually two or three nights at each. Our premium package includes a private dinner and a spa treatment at the resort.

A note on our content: our videos focus on the honeymoon experience rather than on hotel reviews, so we don't name or tag the resorts we feature. This keeps our collection exclusive to our couples.

What our couples value

Honeymoon decoration
A romantic room setup with flowers on arrival.

Private dinner
A private table for two, by the beach, the pool or on a terrace.

Complete privacy
A villa or suite with a private pool, away from the crowds.

Upgrade or late check-out
A small gesture that makes the stay feel special.
